## EDUCATION

---

- 2010 Ph.D., Ecology, Rutgers University, New Brunswick, New Jersey  
Dissertation Title: The Spatial Distribution of Lead in Urban Residential Soil and Correlations with Urban Land Cover of Baltimore, Maryland.
- 2000 B.A., Human Ecology, College of the Atlantic, Bar Harbor, Maine

## PROFESSIONAL EXPERIENCE

---

- 2017-present Director, Ecological Stewardship Institute, Northern Kentucky University, Highland Heights, KY
- 2017-present Associate Professor, Department of Biological Sciences, Northern Kentucky University, Highland Heights, KY
- 2012-2017 Assistant Professor, Department of Biological Sciences, Northern Kentucky University, Highland Heights, KY
- 2010-2012 Postdoctoral Research Associate, Department of Plant Sciences, University of California, Davis
- 2009-2010 American Society of Agronomy, Crop Science Society of America and Soil Science Society of America (ASA-CSSA-SSSA) Core Constituent Scientist Team member
- 2006-2010 Associate Research Specialist and PhD candidate, Cary Institute of Ecosystem Studies, Millbrook, NY
- 2006-2008 Baltimore Ecosystem Study Bulletin Editorial Board
- 2004-2009 Baltimore Ecosystem Study LTER Graduate Student Representative
- 2003-2006 Teaching Assistant, Department of Life Sciences, Rutgers University, New Brunswick, NJ
- 2001-2003 Research Assistant, Cary Institute of Ecosystem Studies, Millbrook, NY
- 2000-2001 Project Assistant, Cary Institute of Ecosystem Studies, Millbrook, NY
- 1999 Community Organizing Intern, Communities for a Better Environment, San Francisco, CA

## GRANTS and FELLOWSHIPS

---

PI: "Community Engagement with Green Infrastructure as a Mechanism to Promote Urban Water Resources" Water Research Consortium Challenge Grant, Confluence Water Technology Innovation Cluster. January 2019 – January 2020. Award \$10,000.

AAAS Alan I. Leshner Leadership Institute Public Engagement Fellow, 2018-2019.  
<https://www.aaas.org/pes/2018-2019-leshner-leadership-institute-public-engagement-fellows-food-water-security> Award \$3,000.

PI: "Strategic Depaving in Newport's Urban Core for Community and Environment." Water Research Consortium Challenge Grant, Confluence Water Technology Innovation Cluster. January 2018 – January 2019. Award \$15,000.

PI: "NKU's Ecological Stewardship Institute: A healthy environment for all." Signature and Emerging Research Areas Competition, Northern Kentucky University. August 2017 – August 2020. Award \$40,000.

Co-PI: "Managing for multiple ecosystem services in working landscapes of Sacramento: Urban agriculture and soil lead contamination." Agriculture and Natural Resources, University of California. October 2011 – September 2016. Award: \$600,000.

PI: "MRI: Acquisition of field-portable x-ray fluorescence technology for undergraduate research and education." National Science Foundation. September 2013 – August 2016. Award: \$106,552.

PI: "NKU Intensive Summer Opportunity for Transdisciplinary Curriculum Development – Developing a Transdisciplinary BA in Environmental Science." Northern Kentucky University. June 2016. Award: \$4,500.

PI: "A transdisciplinary exploration of environment: environmental science and communication students dig deeper to explore soil lead contamination in Newport, KY." Center for Integrative Natural Science and Mathematics (CINSAM) Grant, Northern Kentucky University. January 2015 – January 2016. Award: \$11,400.

PI: "Building STEAM: training the next generation of science communication scholars by bridging the gap between visual arts and the traditional STEM science". KY NSF EPSCoR Education, Outreach and Communication Awards. December 2014 – December 2015. Award: \$10,000.

PI: "Student-centered transdisciplinary curricula development: building STEAM at NKU." Strategic Investment Award, Northern Kentucky University. December 2014 – October 2015. Award: \$10,765.

PI: "Working Dirt: Community Based Research on Lead, Gardens, and Place." Faculty Summer Fellowship, Northern Kentucky University. May 2015 – September 2015. Award: \$6,000.

Co-PI: "Bridging Environmental Science and the Visual Arts through Transdisciplinary Collaboration." Collaborative Faculty-Student Project Grant, Northern Kentucky University. January 2014 – January 2015. Award: \$4,952.

PI: "Managing for multiple ecosystem services in working landscapes of Sacramento: Urban agriculture and soil lead contamination." Faculty Senate Project Grant, Northern Kentucky University. May 2013 – May 2014. Award: \$6,000.

PI: "Soil lead contamination in the city: Understanding the relationship between food, soil lead, and the social and built environment of Cincinnati." Center for Integrative Natural Science and Mathematics (CINSAM) Grant, Northern Kentucky University. January 2013 – January 2014. Award: \$14,600.

Co-PI: "Dissertation Research: The Spatial Dynamics of Lead Levels in Urban Soil and Correlations with Land Cover." National Science Foundation. July 2008 – June 2010. Award: \$12,000.

## AWARDS

---

Northern Kentucky University, Spotlight on Scholarship, SOL Award, 2018  
Northern Kentucky University, Excellence in Research Award, 2018  
Northern Kentucky University Professional Development Award, 2012-2018  
Rutgers University Graduate School Travel Award, 2008, 2009  
Rutgers University Graduate School Special Study Award, 2005  
Honorable Mention, NSF Graduate Research Fellowship Program, 2004, 2005

## **SYMPOSIUM AND WORKSHOP CONTRIBUTIONS**

---

Invited Participant. "Social-ecological Connectivity and Urban Resilience." June 19-20, 2018. University of Waterloo, Waterloo, Ontario.

Invited Speaker. "Symposium – Pb in Urban Soils" October 24, 2017. Managing Global Resources for a Secure Future, Soil Science Society of America Annual Meeting, Tampa, FL.

Panelist. "Democracy in the Era of President Trump" March 1, 2017. Northern Kentucky University, Critical Conversations Public Series, Highland Heights, KY.

Invited Participant. "Gaining Ground – Soil as a Renewable Resource." August 1, 2016. The White House Office of Science and Technology Policy, Washington, DC.

Presenter. "CINSAM Workshop: Edible Soil Profiles." September 16, 2014. Northern Kentucky University, Highland Heights, KY.

Co-Organizer. "CINSAM Workshop: Project Learning Tree." April 17, 2014. Northern Kentucky University, Highland Heights, KY.

Panelist. "Urban forestry, ecology, and natural resources." April 14, 2011. Association of American Geographers Annual Meeting, Seattle WA.

Co-Organizer. "Ending childhood lead poisoning." April 6, 2011. A panel sponsored by the University of California, Davis Institute for Government Affairs, John Muir Institute of the Environment, Center for Regional Change, and the Environmental Justice Project, Davis, CA.

Participant. "Ecology of environmental justice in metropolitan areas." June 14-18, 2010. National Center for Ecological Analysis and Synthesis, Santa Barbara, CA.

Organizer and Speaker. "First annual Baltimore Ecosystem Study graduate student symposium." October 20, 2009. Baltimore Ecosystem Study Annual Meeting, Baltimore, MD.

Co-Organizer. LTER All Scientist Meeting: "Identifying the benefits and barriers to graduate student cross-site socio-ecological research in urban systems." September 14, 2009, Estes Park, CO.

Co-Organizer and Speaker. LTER Graduate Student Symposium: "Identifying the benefits and barriers to graduate student cross-site socio-ecological research in urban systems." September 13, 2009, Estes Park, CO.

Invited Participant. Cary Conference XIII: "Effective communication of science in environmental controversies." May 5-9, 2009. Cary Institute of Ecosystem Studies, Millbrook, NY.

Participant. "Can plant-based ethanol curb our fossil fuel addiction: a workshop exploring the sustainability of biofuels." November 14-15, 2007. Cary Institute of Ecosystem Studies, Millbrook, NY.

Invited Participant. Cary Conference XII: "Urban ecological heterogeneity and its application to resilient urban design." May 1-3, 2007. Institute of Ecosystem Studies, Millbrook, NY.

Participant. "Ecology and environmental justice research across the LTER network: long-term multi-scale understandings of past, present, and future." February 14-15, 2007. Global Institute of Sustainability, Arizona State University, Phoenix, AZ.

Invited Participant. Cary Conference XI: "Infectious disease ecology: effects of disease on ecosystems and of ecosystems on disease." May 3-5, 2005. Institute of Ecosystem Studies, Millbrook, NY.

## **COURSES TAUGHT** (\*developed course)

---

\*Ecology of the City (Lecture and Lab)  
\*Science Communication: The Art and Practice of Science Storytelling  
\*Environmental Science Seminar: Empathy and the Environment  
Introduction to Environmental Science and Issues  
Orientation to Environmental Careers  
Advanced Writing in Biology/Environmental Science  
Introduction to Biology I: Laboratory  
Understanding the Living World Laboratory

## **PROFESSIONAL SERVICE**

---

Chair-elect, Ecological Society of America, Science Communication and Engagement Section, 2018-2019

Review Panelist, National Science Foundation, 2017

Manuscript Reviewer: Ecological Indicators (2), Environmental Management (2), Journal of

Soils and Sediments (2), Landscape and Urban Planning (5), Environmental Science and Technology (1), International Journal of Geographic Information Science (2), Environmental Pollution (2), Progress in Physical Geography (1), Journal of Environmental Quality (1), Applied Geochemistry (2) Urban Forestry & Urban Greening (2) Journal of Urban Ecology (1) Sustainable Cities & Society (1)

## **PROFESSIONAL SOCIETY MEMBERSHIPS**

---

Ecological Society of America, Association of American Geographers
